

How to Edit the Checkout Screen

Last Modified on 04/21/2023 10:30 am EDT

The VIN message notifies customers during their checkout process to provide the VIN Number for their vehicle, in order to ensure the accuracy of their order. For this reason, the VIN message is an important aspect of your Cart Page.

To make changes to your VIN message, go to Settings and Setup in your Control Panel:

1. Click Edit prior to making any changes on this page.
2. Scroll to Display Settings or click Display Settings in the page navigation.
3. Click Update once you have made your changes.

For example: Enter the FULL VIN to verify correct fitment and accuracy of your order.

The screenshot displays a checkout interface with a header area containing 'YOURLOGOHERE' and the 'digicert' logo. Below the header are two tabs: 'Contact' and 'Payment'. The main form is divided into several sections:

- My Info:** Includes fields for First Name (Required), Last Name (Required), Email (Required), Phone Number (Required), and Company (optional). There is a checkbox for 'Subscribe to our Email Newsletter for updates, coupons and special offers.' A red warning message states: 'Registration or VIN verification is REQUIRED for 1 or more of the products in your cart. Please enter your Registration or complete VIN below'. Below this are fields for 'Vehicle Identification Number (VIN) or Rego and State' and 'Mileage'.
- Address (Required):** Contains a 'Billing Address' section with fields for Street (Required), Postcode (Required), and State / Territory (Required). It also has fields for City (Required) and Country (Required), with a checkbox for 'My Billing Address is OUTSIDE AUSTRALIA'. A checkbox at the bottom indicates 'My Shipping Address is the same as my Billing Address'.
- Agreement:** Features a checkbox for 'I have read and agreed to the Policies.' and a section titled 'Your privacy and the security of your personal information is very important to us. We promise to:' followed by a list of promises: 'Safeguard your transaction using Secure Sockets Layer (SSL), which encrypts the information you input', 'Purge your credit card information as soon as your order has been processed', 'Not release, share or sell your information to third parties, under any circumstances', and 'Respect your contact preferences - you will get no junk mail from us'.
- Order Summary:** Located on the right side, it shows a 'Return to Cart' link, a list of items including 'CAMERA PREP KIT - FOR VEHICLES NOT EQUIPPED WITH AUXILIARY CAMERA PREP PACKAGE. PREP KIT DOES NOT INCLUDE TRAILER CAMERA (SOLD SEPARATELY)' with a quantity of 1, and a total price of \$1,864.01. It also lists 'International Shipping & Handling TBD' for \$0.00, a 'Total' of \$1,864.01, and 'Tax' of \$169.46.
- Coupon:** A section with an input field and an 'Add Coupon' button.
- Instructions:** A section with a text area for 'Enter any instruction you would like to include.' and a 'Need Help?' section with links for 'About', 'Testimonials', and 'Policies'. There is also a 'Change Page Language' dropdown menu set to 'English (United States)'.

At the bottom of the form is a blue 'Continue To Payment' button. The footer of the page includes the copyright notice: '© 2023 Ram Trucks of Australia SPWEB38'.

The Checkout Message and Checkout Extra Content boxes can be used to include any additional information

which could potentially impact the customer's order.

For example: "Any orders containing hazardous materials will incur additional freight charges. Our parts department representatives will reach out to you should this be applicable to your order."

Of course, you can use the Checkout messaging however you see fit. These fields are intended to help notify your customers of important information prior to their purchase.

Please note: the VIN message field cannot be made a requirement for your customers. Should a customer not provide a VIN number, you can reach out to the customer within their Order Detail page and use the Email Correspondence feature.
